meeting with Tim IMWU-NL Central Java Provincial Government who attended the Governor's visit to the Netherlands Java Ganjar Pranowo. In the discussion that lasted discussed the fact that many migrant workers from Central Java in the Netherlands, why and how it happened and also discussed the idea of reintegration programs when migrant workers returned to Central Java.

CAMPAIGN AND LOBBY

*The meeting with the Minister of Labour Mr. Muhammad Hanif Dhakiri
June 10, 2016 at the Indonesian Embassy in the Netherlands*

IMWU attend a meeting with Labor Minister M. Hanif RI Embassy Dhakiri in the Netherlands on June 10, 2016 in working visit in Europe. MOM was accompanied by Ambassador I Gusti Agung Wesaka Puja meeting with skilled labor and professionals Indonesia and caring community of migrant workers who are members of Indonesian Diaspora Network in Den Haag, The Netherlands. The event closed with a large family iftar Embassy and the Indonesian community living in Holland.

On the occasion of dialogue with workers and professional skill, the MOM Dhakiri Hanif said the government remains concerned at the increase in the protection of migrant workers in any profession. Major steps in the protection for workers is to increase the competence through job training. "Job training will be enhanced with competency standards recognized by the state in which the worker will work," said Hanif who was also accompanied by the Director of Labour Market Development Kemenaker Roostiwati. Ambassador Gusti Puja said that the number of Indonesian workers (TKI) in the Netherlands amounted to 14,000 and 1,700 of them professionals who most researchers. "To work in the Netherlands are required to have skills," said Gusti Puja. However, the rules are so tight in the Netherlands, still there is a problem. Noted, 460 workers we are currently in the process of completion and the Embassy facilitated their return to the country. President of Indonesia Diaspora Network, Ebed Litaay, LL.M, who was also present at the meeting said, would continue to help the workers spread across Europe. Not only the workers who face the problem, but also increase the ability of workers. Ebed, also welcomed the government policies that allow foreigners to invest in training. Thus, businessmen foreigners can train our workers in advance in accordance with the needs
